ATTAINMENT OF PROGRAMME OUTCOMES, PROGRAMME SPECIFIC OUTCOMES AND COURSE OUTCOMES AND METHODS OF EVALUATION

The Institution regularly evaluates the performance of students through various methods for measuring the attainment of each of the Program Outcomes, Program Specific Outcomes and Course Outcomes.

Evaluation Process: The programme outcomes and Programme Specific outcomes are assessed with the help of course outcomes of the relevant programme through direct and indirect evaluation process. Direct evaluation process is provided through University Examinations, terminal exams, unit tests, internal test, home assignments and seminars. Throughout the year, the faculty records the performance of each student on each programme outcome. Besides, each faculty is assigned with mentor-mentee scheme under which a specific number of students are provided with special guidance to the assigned programme. At the same time remedial coaching is also provided to slow learners to make them pace with the desired progression.

Average attainment in Evaluation Process: Students under university examination are evaluated for 50% to 75% of total marks and institution evaluates for 50% to 25% marks as internal a under semester pattern. Indirect assessment continuously monitored through feedback from Students, Alumni and Parent which are collected, analyzed and necessary action is initiated. According to the above, each Programme outcomes and Programme specific outcomes are assessed and finalised.
