### 5.1.2 CAPACITY BUILDING AND SKILLS DEVELOPMENT INITIATIVES TAKEN BY THE INSTITUITION

#### L.R.G GOVERNMENT ARTS COLLEGE FOR WOMEN, TIRUPUR-4

College students are likely to focus on developing academic skills and knowledge in the chosen field. However, soft skills are equally important for success in both personal and professional life. Soft skills are non-technical skills that help students communicate, collaborate, and adapt in various situations.

Some essential soft skills for college students include:

- Time management and organization
- Effective communication and active listening
- Teamwork and collaboration
- Problem-solving and adaptability
- Leadership and initiative
- Emotional intelligence and empathy
- Conflict resolution and negotiation

Developing these soft skills can help the students to:

- Achieve better grades and academic performance
- Build stronger relationships with peers and professors
- Increase your chances of landing internships and job opportunities
- Enhance your overall college experience and personal growth

Making an effort to practice and improve the soft skills through extracurricular activities, volunteer work, and everyday interactions will help them to be a successful person. Soft skills are just as valuable as academic skills in setting success in future career

The Institution offers Soft skill Training such as Yoga, Computer Literacy Program and special training in Soft skill in association with Tamilnadu Skill Development Corporation from the year 2021-22
