My college experience was unforgettable, with a class that excelled in studies and camaraderie. I feel blessed to have been part of LRG, which transformed me into a successful woman and a PGT Biology teacher in a reputed CBSE school in Kerala. I attribute my success to my professors' guidance and will always treasure the lessons they taught me. The memories of lectures, canteen moments, and college events will forever be etched in my heart. Thank you, LRG and Zoology department, for those three incredible years.
